PIONEERHACKS II

Are you a student interested in computer science, programming, or design? Do you want to create your own project and have the chance to win prizes? PioneerHacks II, an annual high school hackathon, is the perfect opportunity for you. Work with experienced mentors, learn from our workshops, and get the chance to meet industry professionals - no matter what experience you have!

WHAT:

a 16-hour high school hackathon, open to all!

WHEN:

March 2, 2019
7am - 11pm

WHERE:

Intel Headquarters
200 Mission College Blvd
Santa Clara, CA 95054
